

REUSE, REDUCE, RECYCLE!!!!

It is VERY important not to contaminate the recycle..... we will be penalized for contamination loads. In order to keep our rates affordable , we ask you educated yourselves on what can be recycled and what cannot.

Some examples of "TRASH" include but not limited to:

Food Waste, Plastic Bags, Metal, Yard Waste, Car Parts, Garden Hoses, and Hazardous Marerials

PLEASE REMEBER THE IMPORTANCE OF KEEPING TRASH OUT OF THE RECYCLE

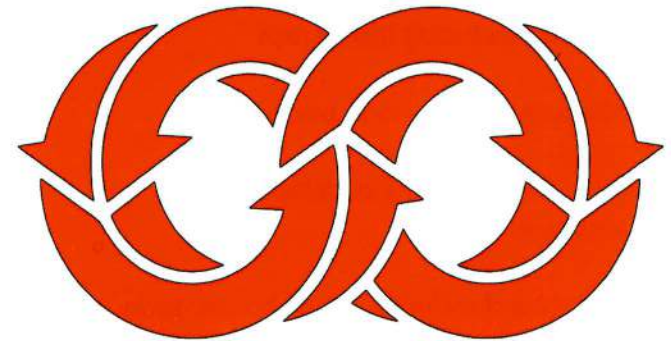

Thank you for recycling and doing your part for a better planet.

If you have any questions, please feel free to call our office or refer to our web site at
